SUPPLEMENTAL SUBMITTAL OF DOCUMENTS PURSUANT TO DUTY OF DISCLOSURE

Pursuant to applicant's duty of disclosure under 37 CFR Sections 1.56 and 1.97, enclosed is a completed Supplemental Information Disclosure Statement (IDS) which lists the documents relating to the above-referenced patent application. Since this document submittal is being presented prior to the first examination on the merits after filing of a Request for Continued Examination, no fee is due herewith. If, however, any fees are due for this submittal, please charge them to our deposit account number 07-1732.

The listed documents are brought to the Examiner's attention because they are known to the applicant and/or the applicant's attorney and may be considered by the Examiner to be material to his/her examination. This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the documents are in fact material merely because they are referenced herein. Moreover, no representation is made that the brief descriptions of the references herein necessarily describe the most material aspects of the references. Further, by this listing, the applicant is not making any admission regarding the relative dates of the invention and listed disclosures.

Respectfully submitted,
